Quick Note from the Pote

Greetings Nobles and Ladies:

I received a phone call a couple days ago from Noble Rick Holloway asking me to put together a "Note from the Pote." My first reaction was "what can I possibly say" as I thought about the last 11 months. There have been a lot of ups and downs in 2020, and for the first six months, mostly a lot of downs. Rick's comment to me was I don't have to be the Dalai Lama or Confucius, just focus on all the good things that we have done this year. And he is 100% correct. Even though the majority of our activities were canceled or curtailed from March through the summer the last three or four months have actually been very good to Naja Shriners.

In August, Naja participated in the Legends Motorcycle Ride of which we are a recipient of the funds raised at the legends dinner. Moyle Petroleum once again had their summer golf outing this year, with it being the 20th consecutive event, raising an all time record amount for Naja. And just this last weekend, the Black Hills Meat Fest was held at Black Hills Harley Davidson in Rapid City. The Meat Fest has turned out to be an awesome fundraiser in hopes of developing a summer camp program for Naja Shrine patients here in the Black Hills. A heartfelt thank you goes out to the numerous nobles and their ladies that helped make this a reality. Last month we had a golf outing at the Elks Club and a celebration at the shrine center that was very well attended.

The last three months have seen a resumption of normal Shrine activities with several parades attended by Nobles and Units are slowly beginning to meet once again. The year 2020 has been very difficult for most all of us, but once again Naja Shriners have risen to the challenge. I believe we will enter next year a little wiser and a little better because of it.

Today as I pen this note it is Nov 11th, Veterans Day. A day that has a very special meaning to me and to many others. Yesterday, Nov 10th, was the Marine Corps birthday. There are less than 2 months to go before my tenure as your Potentate comes to an end, and please allow me the time to say thank you to my fellow veterans for your sacrifices and my fellow Shrine nobles and their families for their diligence and support of Naja.

First Annual Naja Trunk or Treat

This year Naja decided to bring the Annual Halloween Party outside and open up to the community. We held the first ever Trunk or Treat not knowing how successful it would be. With approximately 20 different "trunks" and a good response from social media posts, it was estimated over 400 children attended the event. In fact, the turnout was so great we had to go and purchase more bags of candy to treat all the kids. The RCPD also attended and helped with the treats. Thanks to all who helped make this one of the most successful events of the year!

Temple Units Help With Funds

This year has been a financial challenge for Naja and many other temples. Naja Units rise to meet the challenge.

While the world-wide pandemic has taken its toll in lives, businesses, and events, many non-profit organizations who rely on fundraising activities have also struggled to make ends meet. Naja has not been immune to the consequences of the pandemic. It is likely many of these challenges will follow us into next year to a certain degree. However, Naja and its units have worked hard to keep their collective financial houses in order. As a result, we have been able to weather the storm of 2020 and will emerge into 2021 on solid financial grounds.

This year, during the Shrine Picnic and Naja Celebration weekend, several units presented Ill. Sir. Jack Johnson with checks from unit accounts to help the temple with sufficient funds to operate into next year. And a special thanks also goes out to the Daughters of the Nile who contributed \$650 to the Temple's operating fund. As a result, we will be able to kick off 2021 as planned and begin the work to bring the Circuses back to Western South Dakota. Ill. Sir Jack Johnson stated early in this pandemic, his primary goal was to "make sure the Temple and the Potentate in 2021 has the financial ability to return to normal." While we still have challenges ahead, we have seen throughout the summer that with precautions and planning we can hold these events and more next year.

So why are the units of Naja Shrine so generous? Simple put by one noble: "The Temple has given units whatever we needed to operate. They have loaned us money for improvements to our units. They were always there for us. Now it is time for us to be there for the Temple."

The whole Divan and every Noble of Naja thanks the units who were able to assist in keeping Naja Shrine operationally sound. Many thanks go out to Susanne and Holly who, with reduced hours, have helped keep the Temple and the Hospital Division running smoothly. There is still more fun to be had in 2020 and into 2021!

New Shriners Children's Clinic

The new Shriners Children's clinic in Woodbury, MN, has been up and running for several months now. The official Ribbon Cutting was August 21st, with only a small group assembled for the ceremony due to the COVID-19 virus and the strict Minnesota restrictions on large gatherings. The virus continues to hinder our Outreach Clinics here in Rapid City and across the region. Hundreds of follow-up appointments are waiting for the restrictions to be lifted and travel return to normal.

The silver lining to this whole COVID mess has been Video or Tell-a-Medicine. It turns out that with a little coaching our patient's parents are quite good with Smart Phones getting the video that the Physician need allowing our care to continue and the patients to stay on track. The Smart Phone along with newly developed applications are helping our Doctors diagnose spine and other problems from hundreds of miles away.

A Message from the Chairman of the Board of Trustees

Dear Fellow Nobles:

The world has become a much smaller place. Shriners Hospitals for Children® has a global reputation for compassion and excellence, and continues to expand its efforts to reach as many children who may need the services of our unique health care system, regardless of where they live.

We have implemented an international strategic plan that will help us serve the children of the world more effectively and efficiently, and closer to their homes. Under the direction of Marjorie McEttrick-Maloney, RN, BSN, MPA/H, our chief nursing officer, and with guidance from a consultant, this plan streamlines our international services, and includes initiatives for many parts of the world, including Brazil, the Philippines, Canada and Mexico. Today, I would like to share some exciting developments in our strategy for the children of Mexico.

Shriners Hospitals has had a presence in Tijuana, Mexico, for many years. From 1998 to 2012, we held outreach clinics at Hospital Infantil de las California (HIC). In 2012, we opened an ambulatory clinic adjacent to HIC. We recently moved our clinic to within Hospital Angeles in Tijuana in order to provide additional services, including inpatient and more complex surgical treatments. Today, that clinic, which is under the direction of our Pasadena, California, location, serves more than 10,000 children annually, providing orthopedic surgical care and outpatient clinic visits, including orthotics and prosthetics services.

Based on our desire to increase our presence in Mexico, and the success of our clinic in Tijuana, we are pursuing discussions with Hospital Angeles officials to establish similar clinics at their locations in Guadalajara, Monterrey and Juarez, Mexico. If these clinics also are successful and meet our goals of reaching and caring for the children who need our expertise, we will have additional conversations with a goal of further expanding these efforts. Hospital Angeles has approximately 30 locations throughout Mexico, which could provide an opportunity for Shriners Hospitals to establish a network of affiliated clinics.

Obviously, there will be many details to work out, from staffing to space allotments, but the possibilities are tremendous – and fit well with the mission and goals of Shriners Hospitals for Children, especially as we seek to increase our affiliations and access points in order to reach and treat more children effectively, efficiently and closer to their homes.

An important part of our international strategic plan is including educational programs for local medical professionals in our outreach efforts. Ultimately, this will allow more children to receive care in their home countries, rather than needing to travel to the U.S. for care. Of course, we will always refer children to our facilities if that is the best course of action for them.

Continued...**Message from the Chairman**

These are especially challenging times, as we work within the restrictions caused by the pandemic, but they are also exciting times with great promise for the future of our unique, compassionate health care system.

I look forward to sharing information about our strategic plans for other international locations in the future.

Thank you for all you do to support Shriners International and Shriners Hospitals for Children.

Yours in the faith,

Jerry G. Gantt
Chairman, Board of Trustees
Shriners Hospitals for Children

D.A.D.S UNIT

The DADS Unit, originally named the "NAJA Temple Hospital Express," was organized on May 7, 1984, and the bylaws presented to the Divan on May 8, 1984. The unit was formed for the express purpose of transporting "crippled" children to and from the Shrine Hospital. A new van had just been purchased for this purpose by the "NAJA Hospital Division" which was then operated and maintained by the unit. The original members included: Alan Sarver, Bob Marx, Don Livesay, Steve Sibell, Mike Illan, Fred Nemer, Gordon Parlet, and Scott Olson.

The objectives of the unit were:

1. To foster and maintain an interest in the children who are patients or are possible patients of the Shrine hospital. And, to provide to them such benefits and services as will promote to their happiness and well being, such as a Christmas party each year for our children and parents.
2. To maintain a well equipped van for the purpose of transporting children to and from the Shrine Crippled Children's Hospital.
3. To provide drivers for the Hospital Express Van.

The bylaws also included many aspects that are followed today. However, there was originally a membership fee to join of \$10.00 with dues of \$5.00. Membership was offered to any Noble in good standing with the NAJA Temple upon meeting all the requirements of the bylaws. There were two types of members: a driver or a general member. The officers included a Director, Vice Director, Secretary/Treasurer and an Operations Supervisor. However, the Operations Supervisor had an interesting job description: "Shall provide drivers of the van when needed, as requested the director and/or the NAJA Temple Hospital Division. He shall maintain all trip logs and maintenance records for the van and see that the van is ready to make the required trips". Can't see many hands popping up to volunteer for this one.

The SNAP Unit is charged with bringing all the communication within NAJA to the next level. This unit will work on The Nugget, the NajaShriners.com site, pushing out PSA's, updating the calendar online, keeping a current presence on social media, bi-weekly communication with nobles and their ladies, taking pictures at events, helping units advertise their events, and promoting NAJA to the community.

New members are welcome. This is a working group that needs people who have experience with websites, social media, and writing/editing articles. If you are interested or have questions about this unit, or have some ideas for information in The Nugget, contact the SNAP Unit at NajaSnapUnit@gmail.com

MOTOR CORPS RIDE

The Naja Motorcycle Corps had a quick ride to Medora, ND over the Labor Day weekend. We took in the Medora Musical, Pitchfork Fondue, toured the Park and had a wonderful time. Every motorcycle trip has that one memorable thing you never forget. This Labor Day Ride will always be known as the "Four Seasons Ride of 2020". The ride north to Medora was in record setting heat and the return home was low 40s, pouring rain, gust wind and a winter storm watch for the higher Hills. Glad to report that everyone returned home safe and sound and is ready for the next adventure.--

NAJA BREWERS

The Naja Brewers put their skills to good use brewing beer for the Naja Picnic and Potentate's Ball. Ill. Sir. Jack Johnson tasked the Brewers to whip up something that tasted like Bud Light and tomato juice. While we did not come close to his request - Master Brewers Chuck and Rick made some outstanding easy drinking ales that even Jack enjoyed.

2020 Buffalo Chip Legends Ride

Naja Shrine was the beneficiary of a generous donation by the Sturgis Buffalo Chip and Rod Woodward again this year. Members of Naja attended the lunch, auction, and ride from Deadwood to Sturgis for the 2020 Buffalo Ship Legends Ride.

Each year, the Sturgis Buffalo Chip helps Naja Shrine fulfill its philanthropic and community outreach missions. The Sturgis Buffalo Chip has been donating funds from this ride to local charities for many years. Each Year the Legends Ride holds a lunch with the Ride Captain, an auction of a bike and other rally items, and a ride through the hills. It all ends with a social and party at the Buffalo Chip.

Make plans next year to join Naja for this annual ride.

Wow! Look What's Been Going On!

Naja was again the beneficiary of the Annual Common Cents Charity Golf Tournament on September 3rd. Golfers from around the area spent the day with golfing at Red Rocks in Rapid City and enjoyed an outstanding dinner after. Naja had several teams participate in the tournament as well. Common Cents also donated to Naja with their annual Round-Up campaign where customers rounded up their purchases to the next dollar.

Thank you Gilbert Moyle III, president of Moyle Petroleum/Common Cents (pictured above) for your ongoing generous support of Naja Shrine!

PARADES

PARADE FOR MAXINE

Several Naja Nobles and their ladies helped Maxine Schoenhard, a new Underwood resident celebrate her 97th Birthday in a drive-by parade. The parade was not expected to be much more than a few vehicles, but many more turned out to celebrate her and other seniors who have been dramatically impacted by the pandemic. Maxine stated after the parade, "I thought it was wonderful, wonderful, wonderful. I am still in a daze."

First Annual Naja Cruise-in Car Show

Moonshine Gulch Hillbillies

The Moonshine Gulch Hillbilly Unit recently hosted a 'Cruise-in' car show. This being our first, we were not sure what to expect. However, we were pleasantly surprised by the turn out not only by the attendance but, the number and beauty of the hot rods and classics.

Aside from the cold, windy weather, it was a gorgeous day which turned out to be most enjoyable for all. In addition to the car show, burgers, hot dogs and beverages were available, along with a successful 50/50.

We send thanks to all who were worker bees who were tireless in providing great lunches and helping with traffic control. A special thanks goes out to the "Dakota Rods and Classics Card Club" for their support and commitment. We definitely plan to have a repeat performance in 2021 and hope to expand our entertainment and fund raising opportunities.

NAJA Picnic/Golf

Potentate's Ball

While the Pandemic this year has kept some events from happening, the annual Naja Picnic, Golf Tournament, and Potentate's Ball could not be stopped (delayed but not stopped). A fun time was had by all enjoying Golf at The Elks Golf Course, followed by social fun at the Shrine. The next day, everyone enjoyed a picnic (donated by the Rapid City Clowns) at the Shrine Center. Games of cornhole, horseshoes, and gold were held at the Shrine Center, while others enjoyed a trip to the Tinder Box in Rapid City for a smoke with the Pipe and Dram Unit. That evening a Hawaiian themed dinner was put on with pulled pork expertly smoked by Mitch Kemmerer. The Daughters of the Nile supplied sides, salads and deserts for an amazing dinner. The Wilt Brothers played into the night to top off a fun and exciting weekend, celebrating Naja and its members.

Black Hills Meat Fest 2020

The First Annual Black Hills Meat Fest was held on November 7th at Black Hills Harley Davidson with great success.

Over 300 people from the community attended the event and over 40 Nobles and Ladies helped make this a memorable event. Over 1 ton of meat, including steaks, chops, roast, ribs, burger, brats, hams and turkeys were raffled off. There was also 250 pounds for Dimock Cheese raffled for the event. Nobles and Ladies from Yelduz Shrine also came out to help. They hold a similar event in Aberdeen every year.

In addition to all the meat and cheese, coolers full of grilling supplies and Black Hills Meat Fest shirts raffled and sold. All of this could not have been accomplished without generous donations from the following businesses: **Black Hills Harley Davidson, Touchtone Electric Cooperatives, Midco Communications, Haugo Broadcasting, Home Slice Media, Irby Co., Quality Brands of the Black Hills, 3 Amigos Cantina, Badlands Saloon and Grill, Two**

Bit Saloon and Steakhouse, Stoebner Cattle Prime Beef, Howdy's Whitewood Plaza, Wall Meats, and Red Rock Restaurant.

The proceeds from the Black Hills Meat Fest will go to fund the development of Shrine Patient kid's camps in the Black Hills. There are numerous kids camps for Shrine patients in Minnesota and Utah, but none locally. The Goal over the next several years is to work with local summer and recreational camps to host camps for the patients we work with every day. Stay tuned for more events from the Black Hills Meat Fest. We hope to bring an event to your town soon. If you would like to help, please contact anyone on the Divan or call the office.
